The American Callers' Association in its attempt to be of service to all callers, dancers, and associations has provided current, timely, and effective information on new dancer recruitment, winning ways to retain club dancers, and pitfalls that drive square dancers away from 2000 to 2018. ACA really appreciates the positive comments, encouragement to continue, and contributions from callers and dancers all over North America and abroad to continue these initiatives. ACA will continue to provide information that will help the square dance community recruit, retain and retrieve square dancers as well as encourage the dancers to speak out on the cumbersome dance programs.

This article addresses offers an encouraging opportunity for square dancers to take more of an active participation in their square dance associations and clubs. One might argue that there is a serious decline in the number of people who will serve and /or hold office in clubs and associations.

Square dancers are failing to realize that when they belong to a square dance club or association that they also hold an ownership interest in that organization including the building, land, equipment, good will etc.
